Peter Skutches
Richard Gallen & Co.,
260 Fifth Ave.
New York, NY 10001

Dear Peter,

Wrone says that he knows of no use of any part of that O'Donnell oral history. He is perplexed that with the passing of time many others there also have not been used.

He also says it means what I say and he was absolutely astounded when he first saw it.

McKnight has not yet returned so I cannot yet ask him.

Sincerely,

Harold
